- Safe manufacturing environment
- Environment Friendly

We are guided by our A.C.T.I.O.N.S which underlie the culture of **Mrinalini Industries**

High quality, reliable manufacturer

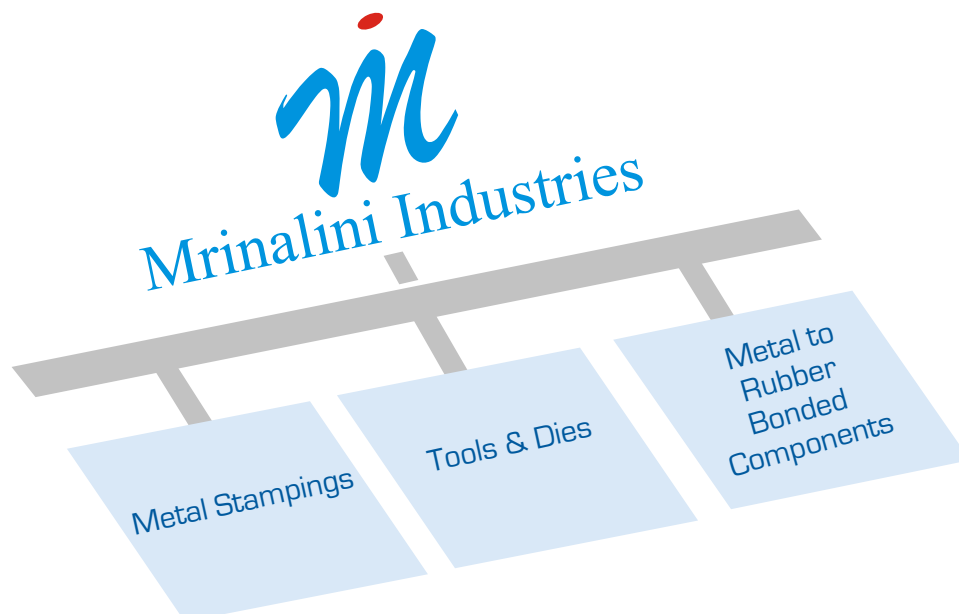

Mrinalini Industries was established in 2001 by our founder and current CEO Mr. S.A. Ramasamy. We are approved 100 ppm certified TIER 2 Suppliers to automobile OEM's.

Specializing in high quality metal stampings we provide comprehensive solutions for precision stamping, trim and form tooling.

Our plant is located in **Chennai, INDIA** often referred to as the DETROIT of ASIA.

We build quality into the production process by means of pro-active manufacturing culture and make what is needed, when it is needed and only as much as is needed.

We aspire to be the best we can be.

Dedication to quality

Our quality practices are

Incoming Inspection

Line Inspection

Pre Delivery Inspection

Mrinalini Industries is committed to be the best we can be in all aspects of our business and operations. This commitment to be the best manifests itself in our product quality and reliability, conformance to specifications, speed of response and customer satisfaction.

Our policies are in place to ensure a systematic approach to conducting our business with the highest standards of integrity.

They are supplemented by detailed process and procedural documents that are certified to be in full conformance to international quality standards. The entire quality system supports our commitment to be the best we can be.

We are **ISO 9001 - 2008** Certified by **TUV SUD** and **100 PPM** Certified by Hyundai Motor India.

Metal stampings

Metal Stampings for Car Exhaust system - Shell

Metal Stampings for Car Exhaust system - Baffles

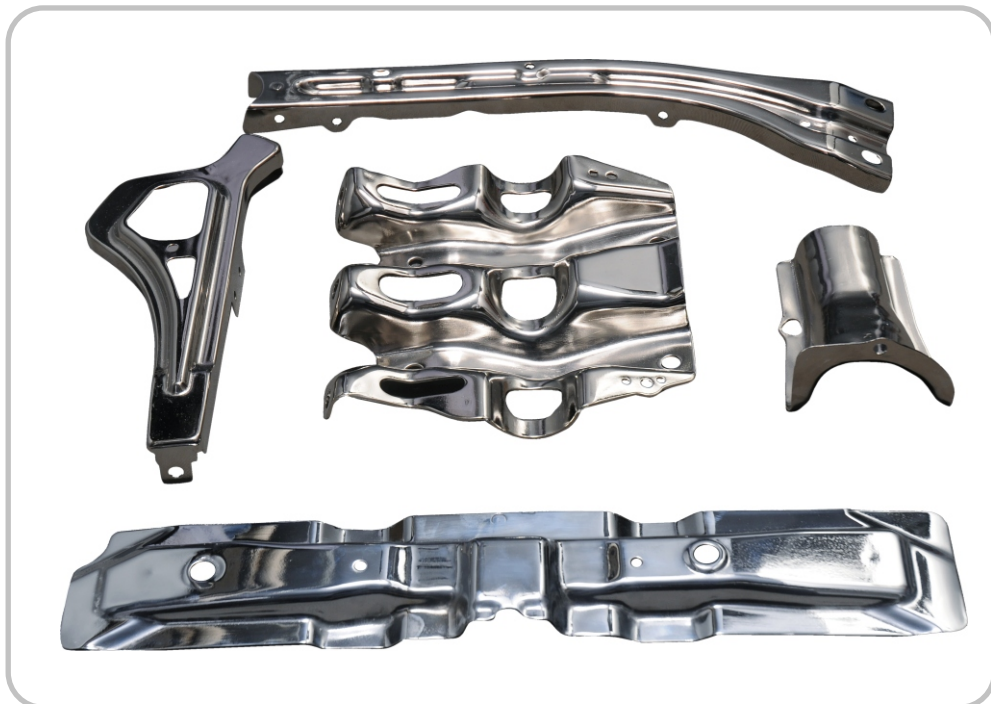

Metal stampings

Metal Stampings for car body parts
